Letter no A1 C 172/41-42 dated 18 7 from the Deputy Commissioner, Trunk Dist, recommending that, for the reasons stated, the Gubbi Town Municipal Council may be superseded for a further period of two years from 12-10-41

In October 1939, Govt, on the recommendation of the Dy Comr, Trunkur Dist, were pleased to order the Supersession of the Gubbi Town Municipal Council for a period of two years The chief reasons for the Supersession of this municipal council were the following.——

1) The unsatisfactory financial position of the Municipality and the failure of the municipal council to improve the collections

2) Bitter party feelings among the members of the municipal council

3) Lack of co-operation with the ex-officio president in the municipal administration

Still strong party-feeling in Gubbi Town and "public spirit and co-operation may not be forthcoming in a measure justifying the return to normal conditions" with regard to the finances, though considerable progress has been made in the recovery of arrears under Mohatarfa tax, there is still a large balance of Rs 6667/- to be collected, while there is a general improvement under other heads of revenue The D C therefore thinks that it is better to stabilise the income of the Municipality before handing it over to popular control and he has accordingly recommended that the supersession may be continued for a further period of two years as it would be in the interests of the Municipality

3 The Thirthahalli Minor Municipal council which was superseded in similar circumstances, in the year 1937, was recently ordered to be continued under supersession for a further period of one year from 1-7-41 The Gubbi Town municipal Council was superseded on 13-10-39 and the period of supersession will expire on 12-10-41

Submitted to His Highness

Final Note by the Minister for Local Self-Government and Public Health

Subject — Continuance of the supersession of the Gubbi Town Municipal Council

These papers relate to the continuance of the supersession of the Gubbi Town Municipal Council.

This Municipal Council was superseded for a period of two years with effect from 12th October 1939 for the following reasons -

1 Existence of bitter party feelings among the members of the then Municipal Council

2. Lack of co-operation by the factious Municipal Council with the Ex-officio President in the administration of municipal affairs

3 The unsatisfactory financial position of the Municipality and the failure of the Municipal Council to improve the collections

The period of supersession of the Municipal Council expires on 12th October 1941 The Deputy Commissioner, Tumkur District, has, after visiting the place, reported that the party feelings at Gubbi Town still persist and public spirit and co-operation may not be forthcoming in a measure justifying the return to normal conditions

During the period of supersession the Amildar, Gubbi taluk, was in charge of this Municipality and its financial position has considerably improved Recently, a drainage scheme at an estimated cost of Rs 41,160/- has been sanctioned for this Municipality

In view of the factions prevailing in the town, and as certain town improvement works have to be executed, the Deputy Commissioner

(F.M.-contn.)

is recommended that the period of supersession of this Municipality may be continued for a further period of two years from 12th October 1941, the present arrangement of the Amildar being in charge of the affairs being continued

The Dewan and the other Ministers are agreeable to this proposal I submit the same for His Highness gracious approval

of change of front for some time to come, and public spirit and cooperation may not be forthcoming in a measure justifying the return to normal conditions On the other hand, the public, as a whole, are said to like the present administration and are cooperating in every way

GEN & REV SECRETARIAT 1941 BRANCH

2 The second reason for superseding the Municipality was that the financial position was unsatisfactory. The note of Mr Guru Dutt makes it amply clear that inspite of the fairly good work done during the two years of supersession, there is still a large amount of Rs 6667/- to be collected under Mohatarfa Unless the present administration by official agency continues for another period of two years, it may not be possible to wipe out these arrears. Under Octroi, the position has improved considerably, yielding Rs 7003-4-5 for the two years of 39-40 and 40-41 as against the sum of Rs.5919-2-10 for the previous two years It is better to stabilise this income in the coming two years and then hand over the Municipality to popular control. Under tolls, the ~~xxxxxx~~ realisations have shown a phenominal increase from Rs 3876/- in 36-37 to Rs.7350/- in 40-41 In short, the normal income has improved from Rs.11558/- in 37-38 to Rs.19948/- in 40-41, while the expenditure has increased from Rs.12257/- to Rs 15359/- for the corresponding years An important drainage scheme is also pending operation In consideration of the above state of affairs as also (3) the objectionable behaviour of the forwards of Mr Channappa, Vice-President of the Municipal Council in a special meeting held on 8th February 1939, this Municipality was superseded for two years under Sec 202 of the Mysore Town Municipalities Act

In my opinion, as the state of ~~affairs~~ facts in the town has not improved and there is no likelihood of a change in front, and exhibition of better public spirit, and as there is still a large volume of efficient work to be undertaken under collections, conduct of office work etc , I consider it desirable to extend the term of supersession of this Municipality for two years from 12-10-1941. I request the favour of early orders on this matter as otherwise I have to take speedy action for the constitution of a new council for this Municipality

I have the honor to be,
Sir,
Your most obedient servant,

Deputy Commissioner, 18/7/41
